

Strategic Leadership **for Principals** Programme

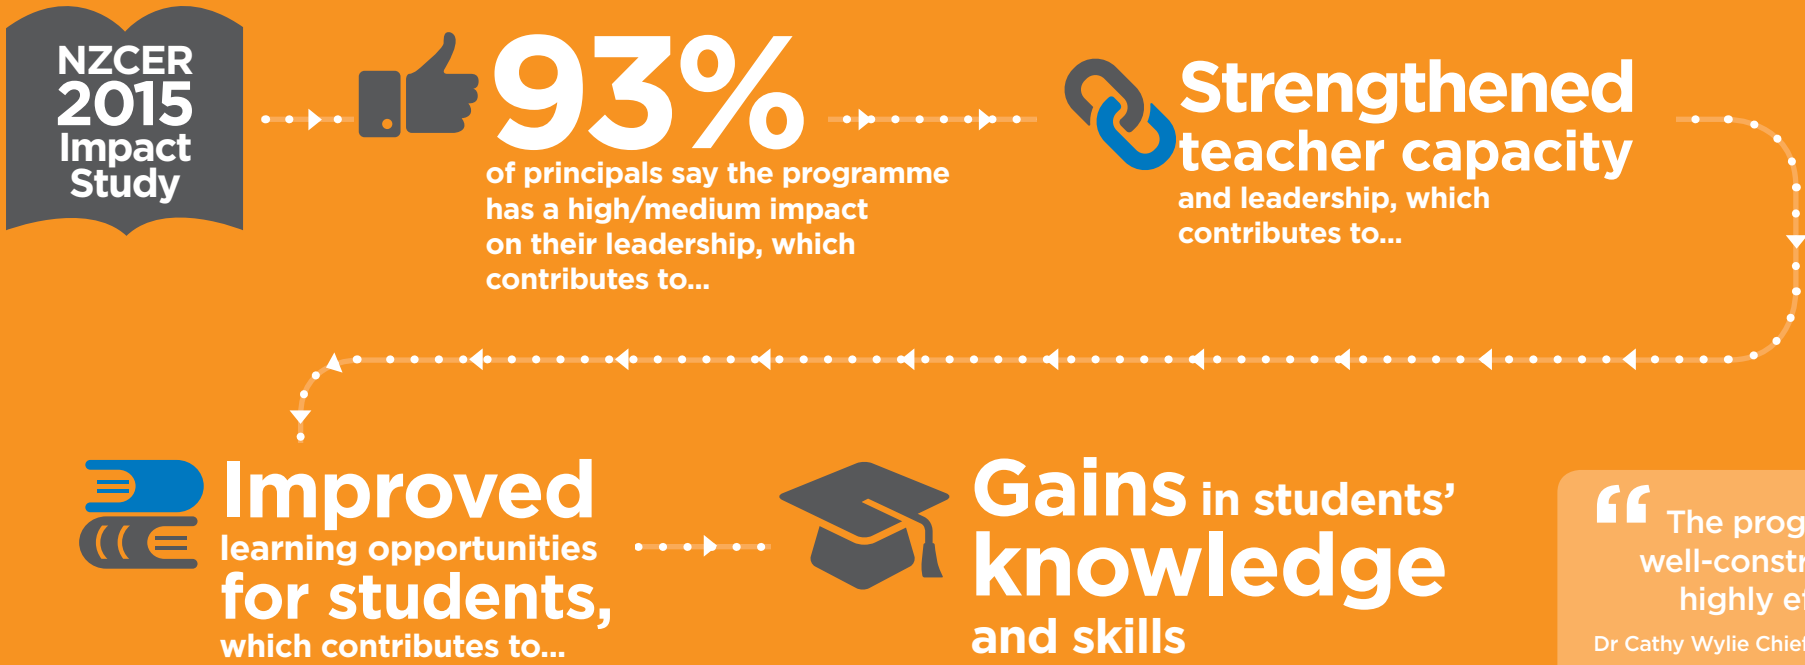

The Strategic Leadership for Principals programme is a free programme run over the school year designed to assist principals in developing robust strategic goals and plans. This is achieved through capacity building and strategic partnerships drawn from New Zealand’s public, private and philanthropic communities.

How it works

Cohorts of 6 principals matched with 6 dedicated Capacity Partners.

Cross-sector collaboration enhancing school leadership

“ The Strategic Leadership for Principals Programme allows business and education leaders to work together respectfully on a common ground to improve education outcomes for children, it is an impressive programme. **”**

Dr Cathy Wylie Chief Researcher NZCER

“ I found the whole experience the best professional development I have ever had. **”**
